CONFERENCE PROGRAMME

2026

Digital Legal Talks 2026

27 November 2026
Utrecht, De Zalen van Zeven, Boothstraat 7

Digital Legal Studies

Programme at a glance

09:00–09:45 Walk-in, registration and coffee

09:45 Welcome by dr. Irene Kamara · Digital Legal Studies coordinator

09:50 Welcome by prof. Mireille van Eechoud · Dean Law School, University of Amsterdam

10:00–10:50

KEYNOTE

prof. Sylvie Delacroix

King's College London

Designing for productive uncertainty: why participatory AI interfaces matter

Room **Kerkzaal** · Moderator **Gijs van Dijck**

11:00–12:30 **Parallel Sessions 1**

1A	Deceptive Design, Attention Economy & Consumer Autonomy	Spiegelzaal · p. 3
1B	Criminal Justice, Digital Evidence & Law Enforcement Technologies	Kleine zolder · p. 3
1C	Cybersecurity & Cyber Resilience and Digital Sovereignty	Grote zolder · p. 4
1D	Platform Governance, Systemic Risks & Content Moderation under the DSA	Voorkamer · p. 4
1E	Book Launch: *Cambridge Handbook of AI in Civil Dispute Resolution*	Kerkzaal · p. 5

12:30–13:30

- Lunch (all participants)
- Digital Legal Studies PhD community meeting (by invitation only) · Organisers: Paolo Belloni, Noelle-Ann Park

13:30–14:30

KEYNOTE

Martijn Snoep

Netherlands Authority for Consumers and Markets (ACM)

Room **Kerkzaal** · Moderator **Irene Kamara**

14:30–15:00 Coffee break

15:00–16:30 **Parallel Sessions 2**

2A	Public Enforcement, Regulatory Architecture & Institutional Governance	Spiegelzaal · p. 5
2B	Digital Regulation, Neurotechnologies & Healthcare Applications	Kleine zolder · p. 6
2C	Digital Justice & Algorithmic Fairness	Grote zolder · p. 6
2D	Digital Markets, Enforcement & Competition	Voorkamer · p. 7
2E	Data Protection, GDPR Compliance & Digital Identity	Kerkzaal · p. 7

prof. Sylvie Delacroix

King's College London

10:00–10:50

Room **Kerkzaal** · Moderator **Gijs van Dijck**

Designing for productive uncertainty: why participatory AI interfaces matter

Parallel Sessions 1

11:00–12:30

1A Deceptive Design, Attention Economy & Consumer Autonomy

Room **Spiegelzaal** · Moderator **Noelle-Ann Park**

1 **Sanju Ahuja, Johanna Gunawan** (presenting), **Cristiana Santos and Nataliia Bielova** | Dark Patterns and the EU Digital Services Act: Mapping Autonomy Violations and Design Factors

2 **Sarah Eskens** | Challenges for the definition of social media in EU law

3 **Pui Ying Michelle Liu** | Breaking the scroll: rethinking the addictive architecture of social media through the DSA and Chinese law

4 **Arianna Rossi and Simon Parkin** (presenting) | "What I'm interested in is something that violates the law": Regulatory practitioner views on automated detection of deceptive design patterns

5 **Raphaël Gellert** | Digital addiction and EU consumer law: from surveillance capitalism towards the attention economy, and further cognitive capitalism?

1B Criminal Justice, Digital Evidence & Law Enforcement Technologies

Room **Kleine zolder** · Moderator **Marc van der Ham**

1 **Sou Hee Yang** | Regulating Image-Based Sexual Abuse: A Comparison of Criminalization Models in Japan, South Korea, and the United States

2 **Dominika Bychawska-Siniarska** (presenting) **and Marcin Rojszczak** | From Bulk Retention to Explainable Filtering? LLMs and the Legal Limits of Electronic Surveillance

3 **Matilde Bufano** | Tweets, Targeting, and Trials: The Role of OSINT in Contemporary Warfare and Its Compliance with International Law

4 **Claudia Calabrese** | Predictive Policing and the Presumption of Innocence: From Fact-Based Suspicion to Algorithmic Risk

Parallel Sessions 1 *continued*

11:00–12:30

1C Cybersecurity & Cyber Resilience and Digital Sovereignty

Room **Grote zolder** · Moderator **Alicja Joanna Kucharska**

1 **Filiberto E. Brozzetti** | Data Embassies and the Reconfiguration of Digital Jurisdiction: Repurposing an Established Legal Architecture for Sovereignty, Diplomatic Protection, and Resilience in Contemporary Cyber-Geopolitics

2 **Suzanne Nusselder** | A critical investigation into the proposed single reporting mechanism for cybersecurity incident reporting in the Digital Omnibus proposal: the good, the bad and the good enough

3 **Clara Boggini** | An evaluation of supply chain cybersecurity legislation

4 **Sofia Santinello** | Cyber Resilience and the Formation of Legal Subfields in EU Digital Law: The Case of Cybersecurity Regulation

5 **Sabrina Pölle** | Digital Evidence in Criminal Proceedings: Securing the Authenticity and Integrity – An Analysis of the Dutch Legal Framework from a German perspective *de lege ferenda*

1D Platform Governance, Systemic Risks & Content Moderation under the DSA

Room **Voorkamer** · Moderator **Gijs van Dijck**

1 **Mariam Jvebenava** | Coordinating Enforcement under the Digital Services Act: The Emerging Role of Digital Services Coordinators

2 **João Pedro Quintais** (presenting), **Matteo Fabbri and John Albert** | Practices Before Principles: Regulating Systemic Risks from Generative AI under the DSA

3 **Aurelie Banck** | Decentralized AI Governance in the EU: A Flawed Paradigm – The Case for a Hybrid Centralized Framework

4 **Ronan Fahy** (presenting), **Gabriela Trogrlić, Joris van Hoboken, David Abella and David Laniado** | The Digital Services Act, Wikipedia, and Election Disinformation Regulation

5 **Bram Rijsbosch** | AI Labels on Social Media: Evaluating Platform Practices and (Automated) Auditing Methods under the EU DSA

1E Book Launch: *Cambridge Handbook of AI in Civil Dispute Resolution*

Room **Kerkzaal** · Moderator **Pietro Ortolani**

EDITED BY Amy J. Schmitz, Marco Giacalone and Pietro Ortolani

SPEAKERS Natali Helberger · Isabella Banks · Anna van Duin · Roberto Baumgarten Kuster · Pieter van Riemsdijk

12:30–13:30

- Lunch (all participants)
- Digital Legal Studies PhD community meeting (by invitation only) · Organisers: Paolo Belloni, Noelle-Ann Park

KEYNOTE **13:30–14:30**

Martijn Snoep

Netherlands Authority for Consumers and Markets (ACM)

Room **Kerkzaal** · Moderator **Irene Kamara**

14:30–15:00 Coffee break

Parallel Sessions 2

15:00–16:30

2A Public Enforcement, Regulatory Architecture & Institutional Governance

Room **Spiegelzaal** · Moderator **Ronan Fahy**

1 **Charis Papaevangelou** (presenting), **Sabrina Kutscher, Natali Helberger, José van Dijck and Thomas Poell** | Shared responsibility, unequal power: Mapping the limitations of multi-stakeholderism in the EU's digital governance

2 **Rik Groteboer** | Up the Garden Path: Defining the Role of the Institutionalised Trusted Flagger

3 **Annemarie Balvert** (presenting) **and Anna Peters** | Optimizing information: assessing information provision procedures of Dutch regulatory authorities in the digital sector

4 **Paweł Hajduk** (presenting) **and Paul de Hert** | Creeping Overreach and the Accumulation of De Facto Power by the EU Digital Executive

Parallel Sessions 2 *continued*

15:00–16:30

2B Digital Regulation, Neurotechnologies & Healthcare Applications

Room **Kleine zolder** · Moderator **Tjaša Petročnik**

1. **Nehir Aydeniz** (presenting) **and Jan De Bruyne** | AI Literacy Without Teeth, Fundamental Rights without a Forum: The Reach of Article 4 of the EU AI Act in the Medical Devices Sector
2. **Jacopo Piemonte** | Non-medical neurotechnologies and the AI Act: meeting the challenge?
3. **Henrique Marcos** (presenting) **and Rohan Nanda** | Reasoning Through Regulatory Conflict: Structuring Normative Tensions in the Governance of AI-Enabled Medical Devices
4. **Julie Van Pée** | Neurogaming in the Metaverse in the EU Digital Regulatory Framework
5. **Alexandra Ziaka** | Digital Mind Interventions and States' positive obligations in the context of Freedom of Thought

2C Digital Justice & Algorithmic Fairness

Room **Grote zolder** · Moderator **Pietro Ortolani**

1. **Isabella Banks** | Human oversight of artificial intelligence in the Dutch judiciary
2. **Giovanni Gaudio** | Reconciling risk and workers' rights: the EU's risk-based approach to algorithmic management and its implications for labour law
3. **Nikolas Kyriacou** | "We, the LLMs": the borrowed grammar of constitutional law in the age of AI
4. **Frederik Zuiderveen Borgesius** (presenting) **and Philipp Hacker** | Automated poverty: should socio-economic status be a protected ground in non-discrimination law?

Parallel Sessions 2 *continued*

15:00–16:30

2D Digital Markets, Enforcement & Competition

Room **Voorkamer** · Moderator **André Janssen**

1 **Xiaoli Li** | Tackling Technical Lock-In within AI PaaS: A Pressure Test of Article 102 TFEU

2 **Dominika Kuźnicka-Błaszkowska** | AI-Enhanced Microtransactions in Retail Investing Applications: Financial Stability Risks and Regulatory Gaps in EU Law

3 **Gabriela Trogrlić** | The GenAI-to-Platform Media Value Chain: Regulating Power Asymmetries in EU Law

4 **Pratiksha Ashok** | Swipe Right on the Algorithm: Fandom Economies as AI-Mediated Data Markets and the Governance Gap

5 **Paddy Leerssen, Anna van Duin** (presenting) **and Joris van Hoboken** | Platform Regulation Through Civil Courts: The DSA's Private Enforcement on the Ground

2E Data Protection, GDPR Compliance & Digital Identity

Room **Kerkzaal** · Moderator **Joris van Hoboken**

1 **Cristiana Santos** (presenting), **Orla Harris and Stefan Horstmann** | Keepers of the Machines: A systematic review of developers' GDPR compliance challenges

2 **Heleen Janssen** (presenting), **Thijs Carrière, Jef Ausloos and Bella Struminskaya** | Online platforms' shaping data access under the GDPR. An empirical study into platform data download packages' deficiencies under the GDPR

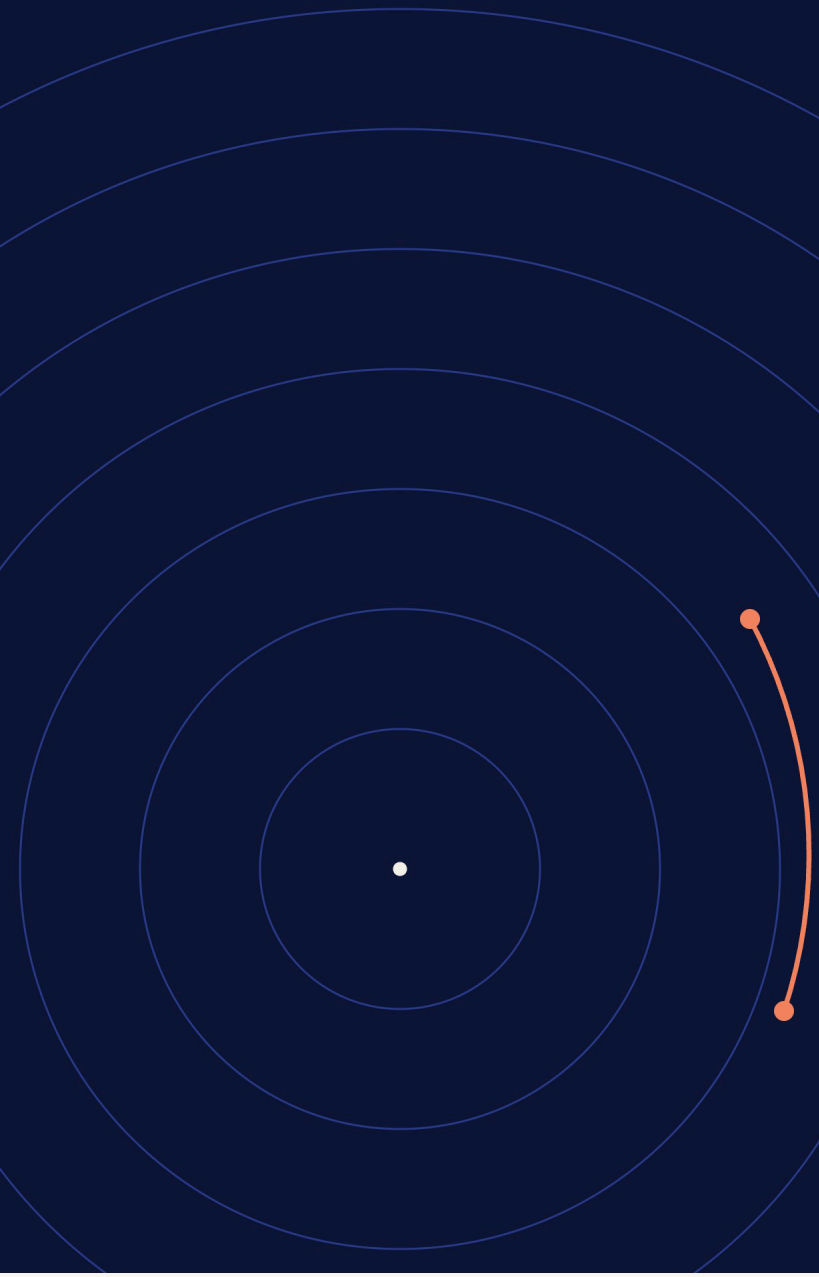

3 **Julie Mannekens** (presenting) **and Jan De Bruyne** | The Impact of the Digital Omnibus Proposal on the GDPR – Much Ado About Nothing? Insights From a Law in Action/Practice Perspective

4 **Pieter Wolters and Mattis van 't Schip** (presenting) | Digital identity wallets and electronic signatures: towards solving issues of reliability in Dutch private law

5 **Alexander Egberts and Julia Krämer** (presenting) | Privacy Preference and Cookie "Choice": Is Design more Important than What You Want?

16:30–17:00 **Conclusions**

17:00–18:00 **Borrel**

ORGANISING COMMITTEE

Irene Kamara DLS coordinator, Tilburg University
Gijs van Dijck Maastricht University
Ronan Ó Fathaigh University of Amsterdam
André Janssen Radboud University
Pietro Ortolani Radboud University
Joris van Hoboken University of Amsterdam

With the assistance of
Nalan Doganci, Maartje van Genk Tilburg University
